PROVISIONS FOR PAYMENT OF ADMINISTRATIVE EXPENSE CLAIMS

In accordance with section 1123(a)(1) of the Bankruptcy Code, made applicable to the Title III Case pursuant to Section 301(a) of PROMESA, Administrative Expense Claims and Professional Claims have not been classified and thus are excluded from the Classes of Claims set forth in Article IV of the Plan.

3.1 **Administrative Expense Claims:** On the later to occur of (i) the Effective Date and (ii) the date on which an Administrative Expense Claim shall become an Allowed Claim, the Reorganized Debtors shall (a) pay to each holder of an Allowed Administrative Expense Claim, in Cash, the full amount of such Administrative Expense Claim or (b) satisfy and discharge such Allowed Administrative Expense Claim in accordance with such other terms no more favorable to the claimant than as may be agreed upon by and between the holder thereof and the Reorganized Debtors; provided, however, that Allowed Administrative Expense Claims representing indebtedness incurred in the ordinary course prior to the Effective Date by the Debtors shall be paid in full and performed by the Reorganized Debtors in accordance with the terms and subject to the conditions of any agreement governing, investment evidencing, or other document relating to such transactions; and, provided, further, that, if any such ordinary course expense is not billed, or a written request for payment is not made, within one hundred twenty (120) days after the Effective Date, such ordinary course expense shall be barred and the holder thereof shall not be entitled to, or receive, a distribution pursuant to the Plan.

3.2 **Professional Compensation and Reimbursement Claims:** All Entities awarded compensation or reimbursement of expenses by the Title III Court shall be paid in full, in Cash, in the amounts allowed by the Title III Court (a) as soon as reasonably practicable following the later to occur of (i) the Effective Date and (ii) the date upon which the Title III Court order allowing such Claims is deemed to be a Final Order or (b) upon such other terms no more favorable to the claimant than as may be mutually agreed upon between such claimant and the Government Parties; provided, however, that, except as provided herein, each Professional must file its application for final allowance of compensation for professional services rendered and

reimbursement of expenses on or prior to the date that is one hundred twenty (120) days following the Effective Date. The Reorganized Debtors shall pay compensation for professional services extended and reimbursement of expenses incurred after the Effective Date in the ordinary course and without the need for Title III Court approval.

3.3 **Consummation Costs:** Notwithstanding anything contained in the Plan to the contrary, in order to compensate certain parties for the cost of negotiation, confirmation and consummation of the Term Sheet and the Plan, each holder of a PBA Bond Claim, and each holder of a CW Bond Claim and CW Bond Claim (Insured), which executed the Plan Support Agreement as of 11:59 p.m. (EDT) on May 31, 2019, shall be entitled to receive on the Effective Date, based upon their respective positions (insured or otherwise) as of 5:00 p.m. (EDT) on May 31, 2019, a pro rata share of Cash in an amount equal to one and twenty-five one hundredths percent (1.25%), truncated to two decimal points, of the aggregate amount of PBA Bond Claims, CW Bond Claims and CW Bond Claims (Insured), without duplication on account of claims against the Commonwealth for CW Guarantee Bond Claims.

3.4 **AFSCME Professional Fees:** Notwithstanding anything contained in the Plan to the contrary, AFSCME shall be reimbursed its reasonable professional fees and expenses incurred in order to compensate AFSCME for the cost of negotiation, confirmation and consummation of the AFSCME Term Sheet and the Plan, including, without limitation, the resolution of issues pertaining to pensions.

3.5 **PSA Restriction Fee:** Notwithstanding anything contained in the Term Sheet or the Plan to the contrary, in exchange for executing the PSA, and agreeing to all of its terms and conditions, including the agreement to “lock-up” their bonds in accordance with the terms of the PSA, each of the PSA Creditors that executes the PSA during the sixty (60) day period commencing May 31, 2019 shall, upon the occurrence of the Support Date, be entitled to receive the PSA Restriction Fee for each 120-day period that their bonds remain restricted under the PSA in the form of an allowed administrative expense claim, payable in cash, at the time of consummation of the Plan equal to one and one-half percent (1.5%) of the aggregate amount of PBA Bond Claims and CW Bond Claims, without duplication on account of claims against the Commonwealth for CW Guarantee Bond Claims, held by such holder as of the date that the Title III Court approves a disclosure statement for the Plan which PSA Restriction Fee for each PSA Creditor shall begin accruing on the date upon which such creditor executes the PSA or joinder thereto and will be fully earned on the first day of each 120 day incremental period; provided, however, that, in the event that a PSA Creditor purchased or sold any of the foregoing from and after May 31, 2019, the PSA Restriction Fee, if any, shall be payable as follows:

1. In the event an initial PSA Creditor sold to a non-initial PSA Creditor any of its PBA Bond Claims or CW Bond Claims in accordance with the terms and conditions of the PSA during the period from May 31, 2019 up to and including August 30, 2019, including, without limitation, by having the purchaser thereof execute and deliver the Joinder Agreement, as defined in the Plan Support Agreement, to counsel for the Oversight Board, the purchasing party (which shall, as a result of the delivery of a Joinder Agreement and purchased from the initial PSA Creditor within the time period provided above, became an initial PSA Creditor), and not the selling PSA Creditor, shall be entitled to a PSA Restriction Fee with respect to such sold PBA Bond Claims or CW

Bond Claims, as the case may be, calculated from the date of execution of the Joinder Agreement provided that such purchaser continues to hold such PBA Bond Claims or CW Bond Claims, as the case may be, as of the tender of its ballot to accept the Plan.

2. In the event an initial PSA Creditor purchased additional PBA Bond Claims or CW Bond Claims during the period from May 31, 2019 up to and including the date that such initial PSA Creditor tenders its ballot to accept the Plan from any other holder of PBA Bond Claims or CW Bond Claims, such purchasing initial PSA Creditor (a) shall comply with the reporting obligations set forth in Section 2.2 of the Plan Support Agreement, including, without limitation, on the first (1st) Business Day of every calendar month during the period from May 31, 2019 up to and including the Effective Date, by providing counsel for the Oversight Board, in writing, the face amount and CUSIP numbers for each of the GO Bonds and PBA Bonds purchased and/or sold during the prior calendar month, if any, together with the face amount and CUSIP numbers for each of the GO Bonds and PBA Bonds, if any, such initial PSA Creditor then owns or has due investment management responsibility and authority for funds or accounts which own such GO Bonds or PBA Bonds, as the case may be, and (b) and not the selling party, shall be entitled to receive a PSA Restriction Fee for all PBA Bond Claims or CW Bond Claims, as the case may be, held by such initial PSA Creditor as of the date it tenders its ballot to accept the Plan, with such PSA Restriction Fee calculated from the date that such Initial PSA Creditor executed the Plan Support Agreement or the Joinder Agreement, as applicable.

3. In the event that an initial PSA Creditor sold to a non-initial PSA Creditor any of its PBA Bond Claims or CW Bond Claims in accordance with the terms and conditions of the PSA during the period from and after August 31, 2019, including, without limitation, by having the purchaser thereof execute and deliver the Joinder Agreement to counsel for the Oversight Board, no PSA Restriction Fee shall be paid to either the initial PSA Creditor or the purchasing non-initial PSA Creditor; provided, however, that the selling initial PSA Creditor, and not the purchasing party, shall be entitled to receive the PSA Restriction Fee attributable to such sold PBA Bond Claims or CW Bond Claims if the sale occurs after the selling initial PSA Creditor has tendered its ballot to accept the Plan;

provided, however, that, in all circumstances the sum of the aggregate PSA Restriction Fee plus the Consummation Costs shall not exceed Three Hundred Million Dollars (\$300,000,000.00); and, provided, further, that, in the event the Plan Support Agreement is terminated pursuant to the terms of Section 6.1(c)(i) thereof or the Oversight Board terminates the PSA for any reason other than (i) a breach of PSA by a non-Governmental Party, (ii) the denial of confirmation of the Plan by the Title III Court, or (iii) a failure of the Oversight Board, the LCDC and the QTCB Group to reach agreement on the terms of the New Bonds, the aggregate PSA Restriction Fee up to One Hundred Million Dollars (\$100,000,000.00) shall be paid, in cash, as an administrative expense claim under a plan of adjustment for the Commonwealth (in the event that there is no disclosure statement approved, such fee shall be paid to holders that are parties to the Plan Support Agreement as of the date of termination); and, provided, further, that, in all other circumstances, upon termination of the Plan Support Agreement, no Consummation Costs or PSA Restriction Fee shall be due and payable to the party to the Plan Support Agreement

terminating the Plan Support Agreement or against the party to the Plan Support Agreement as to which the Plan Support Agreement is terminated; and, provided, further, that, any unused portion of the PSA Restriction Fee shall be added to the value distributed to bondholders under the Plan. For the avoidance of doubt, neither the Consummation Costs nor the PSA Restriction Fee will be included for purposes of calculating the Bond Recovery Cap.

Such cap shall be developed by the Commonwealth in consultation with the Oversight Board and shall be published prior to the Effective Date. Such Debt limitation shall be in addition to any other limitations imposed by law and nothing contained herein shall be construed as superseding, amending or repealing the additional Debt limitation imposed by the Commonwealth Constitution on public Debt and guarantees secured by the Commonwealth's good faith, credit and taxing power. The Secretary of Treasury's certification of compliance with the Debt limit pursuant to this Section 44.2 shall be conclusive and binding absent manifest error; provided, however, that, in issuing such certification, with respect to the calculation of the revenues of public corporations included as Debt Policy Revenues, the Secretary of Treasury may rely on certifications from officers of such public corporations.

Proceeds derived from any such issuance may be used to cover any and all direct and indirect expenses that, in the issuer's reasonable discretion, are necessary to carry out such Capital Improvements, including, without limitation, any and all expenses incurred in connection with the issuance itself.

(b) **30-Year Maturity Limitation on All Tax-Supported Borrowing:** No Tax-Supported Debt issued on or after the Effective date may have a legal final maturity later than thirty (30) years from the date of its original issuance, and no such Debt may be refinanced by any Debt extending such legal final maturity date beyond such original maturity date limitation; provided, however, that, the foregoing shall not apply to (a) Tax-Supported Debt issued to finance public housing facilities, subject to the limitation established in the Commonwealth Constitution or (b) Tax-Supported Debt issued to refinance Debt that was Outstanding prior to the Effective Date and had a legal maturity of more than thirty (30) years, subject to terms and provisions of Section 44.3(d) hereof.

(c) **Required Principal Amortization:** No Tax-Supported Debt may be issued unless its principal commences to amortize within two (2) years of its original issuance date, or such other period not to exceed five (5) years from original issuance as may be permitted under the U.S. Internal Revenue Code for tax exempt financings of new construction or reconstruction of Capital Improvements, and continues amortizing in each and every year until such Debt is no longer outstanding.

(d) **Refinancings Permitted only for Cash Flow Savings in Every Fiscal Year:** Refinancings of Tax-Supported Debt are permitted only if (i) there is no increase in the amount of bond principal and interest payable in any fiscal year and (ii) such refinancing produces positive present value savings, after taking into consideration transaction expenses, at the levels specified by the Commonwealth in its Debt Management Policies; provided, however, that, refinancings with dissavings in some FYs are permitted if the refinancing is completed in direct response to a hurricane, earthquake, pandemic, terrorism or other natural disaster and similar emergencies and the debt service due in any future FY does not increase by more than ten percent (10%) and the financing is required by its terms to be repaid in full within ten (10) years.

Notwithstanding the foregoing, nothing contained herein shall prohibit the Commonwealth from adopting, maintaining and complying with a Debt Management Policy that is more restrictive

than the requirements set forth above. The Debt Management Policy shall be in addition to any other limitations imposed by law and nothing contained herein shall be construed as superseding, amending, or repealing any additional restrictions imposed by the Commonwealth Constitution.

After such date, all Claims in respect of voided checks shall be discharged and forever barred and the Disbursing Agent shall retain all monies related thereto for the sole purpose of redistribution to holders of Allowed Claims in accordance with the terms and provisions hereof.

46.10 **Distributions After Effective Date:** Distributions made after the Effective Date to holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article LII of the Plan.

46.11 **Setoffs:** Except as otherwise provided in the Plan or in the Confirmation Order, the Disbursing Agent may, pursuant to applicable bankruptcy or non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim by the Disbursing Agent), the claims, rights, and causes of action of any nature that the Debtors or Reorganized Debtors may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or Reorganized Debtors of any such claims, rights, and causes of action that the Debtors or the Reorganized Debtors may possess against such holder; and, provided, further, that nothing contained herein is intended to limit the ability of any Creditor to effectuate rights of setoff or recoupment preserved or permitted by the provisions of sections 553, 555, 559, or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment; and, provided, further, that nothing in this Section 46.11 shall affect the releases and injunctions provided in Article LXII of the Plan.

46.12 **Allocation of Plan Distributions Between Principal and Interest:** To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts; provided, however, that the Debtors or Reorganized Debtor's treatment of any distributions for its tax purposes will not be binding on any Creditor as to the treatment of such distributions for any regulatory, tax or other purposes.

46.13 **Payment of Trustee Fees and Expenses:** No later than five (5) days prior to the Effective Date, Trustees shall provide invoice summaries and supporting documentation (subject to redaction to preserve attorney-client privilege) to the Oversight Board and AAFAF, on behalf

of the Debtors, relating to all incurred and unpaid trustee claims as of such date, together with an estimate of trustee claims to be incurred from such date up to and including the Effective Date. Within fifteen (15) Business Days thereof, the Debtors shall notify the applicable trustee, in writing, of any dispute relating to the reasonableness of any portion of the trustee claims. Any portion of the trustee claims that is not disputed by the Debtors shall be paid by the Debtors on the Effective Date without further application to, or approval of, the Title III Court; provided, however, that, upon notification of a dispute, trustees (a) shall submit an application to the Title III Court seeking a resolution of such dispute by the Title III Court or (b) waive, in writing, payment of such disputed amount; and, provided, further, that, upon the entry of an order of the Title III Court authorizing payment of any disputed amount, upon notice and a hearing, unless otherwise stayed, the Debtors shall pay such allowed portion of such trustee claims. To the extent any trustee claim is incurred from and after the Effective Date, Reorganized Debtors shall be responsible and, upon presentation of supporting documentation in form and substance satisfactory to Reorganized Debtors (subject to redaction to preserve attorney-client privilege), shall satisfy such post-Effective Date trustee claims; provided, however, that, under no circumstance shall the Disbursing Agent, the Debtors or Reorganized Debtors be responsible for any indemnification obligation, cost, or expense of Trustees associated with the gross negligence, intentional fraud or willful misconduct of Trustees in making any distribution pursuant to the Plan.

ARTICLE XLVII

LITIGATION TRUST

47.1 **Execution of Litigation Trust Agreement:** On or prior to the Effective Date, the Commonwealth and the Litigation Trustee shall execute the Litigation Trust Agreement, and shall take all other necessary steps to establish the Litigation Trust and the Litigation Trust Interests therein, which shall be for the benefit of the Litigation Trust Beneficiaries, whether their Claims are Allowed before, on or after the Effective Date. The Litigation Trust Agreement may provide powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Litigation Trust as a “liquidating trust” for United States federal income tax purposes.

47.2 **Purpose of the Litigation Trust:** The Litigation Trust shall be established, pursuant to the Plan, for the sole purpose of prosecuting or compromising and settling the Late Vintage Litigation and distributing its assets, in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Litigation Trust.

47.3 **Litigation Trust Assets:** The Litigation Trust shall consist of the Litigation Trust Assets. On or prior to the Effective Date, the Commonwealth or the Reorganized Commonwealth, as the case may be, shall transfer all of the Litigation Trust Assets to the Litigation Trust. The Litigation Trust Assets may be transferred subject to certain liabilities, as provided in the Plan or the Litigation Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the Litigation Trust Assets to the

Litigation Trust, the Debtors and their predecessors, successors and assigns, and each other Entity released pursuant to Section 62.2 hereof shall be discharged and released from all liability with respect to the delivery of such distributions. Without limiting the foregoing, in the event that there is (a) a Remaining Reserve Amount, subject to the Bond Recovery Cap, the Litigation Trust shall receive such Remaining Reserve Amount up to an amount equal to the Non-Settling CW Bondholders' Settlement Savings Portion (the "Settlement Savings True-Up"), and (b) any additional Remaining Reserve Amount after the Settlement Savings True-Up, (i) the Commonwealth shall receive thirty-three percent (33%) of such Remaining Reserve Amount and (ii) the Litigation Trust shall receive sixty-seven percent (67%) of the Remaining Reserve Amount. Subject to the Bond Recovery Cap, and in accordance with the terms and provisions of Section 47.10 of the Plan, the Litigation Trust shall distribute its allocated portion of the Remaining Reserve Amount to holders of Litigation Trust Interests in accordance with the terms and provisions of the Litigation Trust Agreement.

47.4 Administration of the Litigation Trust: The Litigation Trust shall be administered by the Litigation Trustee according to the terms and provisions of Litigation Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the Litigation Trust Agreement, the Litigation Trust Agreement shall govern.

47.5 The Litigation Trustee: In the event the Litigation Trustee dies, becomes incapacitated, is terminated, or resigns for any reason, the Litigation Trust Board shall designate a successor; provided, however, that under no circumstance shall the Litigation Trustee be a director or officer with respect to any Affiliate of the Litigation Trust.

47.6 Role of the Litigation Trustee: In furtherance of and consistent with the purpose of the Litigation Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan and the Litigation Trust Agreement, and the oversight of the Litigation Trust Board, the Litigation Trustee shall, among other things, have the following rights, powers and duties, (a) to prosecute and resolve the claims and causes of action belonging to the Litigation Trust, (b) to hold the Litigation Trust Assets for the benefit of the Litigation Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, (c) in the Litigation Trustee's reasonable business judgment, to investigate, prosecute, settle and/or abandon rights, causes of action, or litigation of the Litigation Trust, (d) to prepare and file (or cause to be prepared and filed), from and after the Effective Date, all tax and regulatory forms, returns, reports, and other documents required, or that the Litigation Trustee otherwise deems appropriate, with respect to the Litigation Trust, (e) in the Litigation Trustee's reasonable business judgment, to control, prosecute, and/or settle on behalf of the Litigation Trust, objections to Claims on account of which the Litigation Trustee will be responsible and (f) to not unduly prolong the duration of the Litigation Trust. In all circumstances, the Litigation Trustee shall act in the best interests of all Litigation Trust Beneficiaries and in furtherance of the purpose of the Litigation Trust.

47.7 Litigation Trustee's Tax Power: From and after the Effective Date, the Litigation Trustee shall prepare and file (or cause to be prepared and filed), on behalf of the Litigation Trust, all Tax Returns or other tax information statements required to be filed or that the Litigation Trustee otherwise deems appropriate.

47.8 **Transferability of Litigation Trust Interests:** The Litigation Trust Interests shall not be transferable or assignable except by will, intestate succession or operation of law.

47.9 **Cash:** The Litigation Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; provided, however, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

47.10 **Distribution of Litigation Trust Assets:** Upon determination or compromise and settlement of the Late Vintage Litigation, pursuant to a Final Order, the Litigation Trustee shall distribute to the holders of Allowed Claims on account of their Litigation Trust Interests all unrestricted Cash on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as Cash for purposes of this Section 47.10), except Cash reserved pursuant to the Litigation Trust Agreement to fund the remaining activities and liquidation of the Litigation Trust.

47.11 **Funding, Costs and Expenses of the Litigation Trust:** On the Effective Date, and solely from Settlement Savings generated, the Litigation Trust shall be funded on a one-time basis in an amount up to Ten Million Dollars (\$10,000,000.00), one-third (1/3) of which shall be funded from the portion of the Settlement Savings otherwise distributable to the Commonwealth and two-thirds (2/3) of which shall be funded from the portion of the Settlement Savings otherwise distributable to holders of Allowed CW Bond Claims and Allowed CW Guarantee Bond Claims. The reasonable costs and expenses of the Litigation Trust, including the fees and expenses of the Litigation Trustee and its retained professionals, shall be paid out of the Litigation Trust Assets. Fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Litigation Trust.

47.12 **Compensation of the Litigation Trustee:** The individual(s) serving as or comprising the Litigation Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles, the payment of which shall be subject to the approval of the Title III Court; provided, however, that, unless otherwise agreed to, in writing, by AAFAF, the Reorganized Debtors shall have no obligation to provide any funding to the Litigation Trust in excess of that provided pursuant to Section 47.11 of the Plan.

47.13 **Retention of Professionals/Employees by the Litigation Trustee:** Subject to the approval and consent of the Litigation Trust Board, the Litigation Trust may retain and compensate attorneys, other professionals, and employees to assist the Litigation Trust Board on such terms as the Litigation Trustee deems appropriate without Title III Court approval.

47.14 **Federal Income Tax Treatment of the Litigation Trust:**

(a) **Litigation Trust Assets Treated as Owned by Creditors.** For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Litigation Trustee, and the Litigation Trust Beneficiaries) shall treat the transfer of the Litigation Trust Assets to the Litigation Trust as (1) a transfer of the Litigation Trust Assets (subject to any obligations relating to those assets) directly to the Litigation Trust Beneficiaries

and, to the extent Litigation Trust Assets are allocable to Disputed Claims, to the Litigation Trust Claims Reserve, followed by (2) the transfer by such beneficiaries to the Litigation Trust of the Litigation Trust Assets (other than the Late Vintage Litigation Trust Assets allocable to the Litigation Trust Claims Reserve) in exchange for Litigation Trust Interests.

Accordingly, the Litigation Trust Beneficiaries shall be treated for United States federal income tax purposes as the deemed grantors and owners of their respective share of the Litigation Trust Assets (other than such Litigation Trust Assets as are allocable to the Litigation Trust Claims Reserve, discussed below).

The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(b) Tax Reporting.

(1) The Litigation Trustee shall prepare and file (or cause to be prepare and filed) Tax Returns for the Litigation Trust treating the Litigation Trust as a grantor trust with respect to the Litigation Trust Beneficiaries pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 47.14. The Litigation Trustee also will annually send to each holder of a Litigation Trust Interest a separate statement regarding the receipts and expenditures of the Litigation Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Litigation Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Litigation Trust that is required by any governmental unit.

(2) The Litigation Trustee will then in good faith value all other Litigation Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Litigation Trust (including, without limitation, the Debtors, the Litigation Trustee, and Litigation Trust Beneficiaries) for all United States federal income tax purposes.

(3) Allocations of Litigation Trust taxable income among the Litigation Trust Beneficiaries (other than taxable income allocable to the Litigation Trust Claims Reserve) shall be determined by reference to the manner in which an amount of cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Litigation Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to the Litigation Trust Claims Reserve) to the holders of the Litigation Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Litigation Trust. Similarly, taxable

loss of the Litigation Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Litigation Trust Assets. The tax book value of the Litigation Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(4) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Litigation Trustee of a private letter ruling if the Litigation Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Litigation Trustee), the Litigation Trustee shall (A) timely elect to treat any Litigation Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Litigation Trustee and the Litigation Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(5) The Litigation Trustee shall be responsible for payment, out of the Litigation Trust Assets, of any Taxes imposed on the Litigation Trust or its assets, including the Litigation Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Litigation Trust Claims Reserve is insufficient to pay the portion of any such Taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims (including any income that may arise upon the distribution of the assets of the Litigation Trust Claims Reserve), such Taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Litigation Trustee as a result of the resolution of such Disputed Claims.

(c) Tax Withholdings by Litigation Trustee. The Litigation Trustee may withhold and pay to the appropriate Tax Authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Litigation Trust Interests. All such amounts withheld and paid to the appropriate Tax Authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of Litigation Trust Interests for all purposes of the Litigation Trust Agreement, and it being understood that any such amount withheld shall reduce the amount actually received by the applicable holder upon distribution. The Litigation Trustee shall be authorized to collect such tax information from the holders of Litigation Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion the Litigation Trustee deems necessary to effectuate the Plan, the Confirmation Order, and the Litigation Trust Agreement. In order to receive distributions under the Plan, all holders of Litigation Trust Interests shall be required to identify themselves to the Litigation Trustee and provide tax information and the specifics of

their holdings, to the extent the Litigation Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the Litigation Trustee for these purposes. This identification requirement generally applies to all holders of Litigation Trust Interests, including those who hold their securities in street name. The Litigation Trustee may refuse to make a distribution to any holder of a Litigation Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered, and may treat such holder's Litigation Trust Interests as disputed; provided, however, that, if such information is not furnished to the Litigation Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such Litigation Trust Interest; and, provided, further, that, upon the delivery of such information by a holder of a Litigation Trust Interest, the Litigation Trustee shall make such distribution to which the holder of the Litigation Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; and, provided, further, that, if the Litigation Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Litigation Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Litigation Trustee for such liability (to the extent such amounts were actually distributed to such holder).

(d) The Litigation Trustee and the Litigation Trust shall be discharged or dissolved, as the case may be, upon the earlier to occur of (i) all of the Litigation Trust Assets have been distributed pursuant to the Plan and the Litigation Trust Agreement, (ii) the Litigation Trustee determines, with the consent of the Litigation Trust Board, that the administration of any remaining Litigation Trust Assets is not likely to yield sufficient additional Litigation Trust proceeds to justify further pursuit, and (iii) all distributions required to be made by the Litigation Trustee under the Plan and the Litigation Trust Agreement have been made; provided, however, in no event shall the Litigation Trust be dissolved later than three (3) years from the Effective Date unless the Title III Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Litigation Trustee and the Litigation Trust Board that any further extension would not adversely affect the status of the trust as a Litigation Trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Litigation Trust Assets. If at any time the Litigation Trustee determines, in reliance upon such professionals as the Litigation Trustee may retain, that the expense of administering the Litigation Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the assets remaining in the Litigation Trust, the Litigation Trustee may apply to the Title III Court for authority to (i) reserve any amount necessary to dissolve the Litigation Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax under section 501(a) of the IRC, and (D) that is unrelated to the Debtors, the Reorganized Debtors, the Litigation Trust, and any insider of the Litigation Trustee, and (iii) dissolve the Litigation Trust.

47.15 Indemnification of Litigation Trustee: The Litigation Trustee or the individual(s) comprising the Litigation Trustee, as the case may be, and the Litigation Trustee Employees, agents and professionals, shall not be liable to the Litigation Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Litigation Trustee, except those

acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Litigation Trustee, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the Litigation Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the Litigation Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the Litigation Trust Interests and any other claim to or interest in such assets. The Litigation Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

ARTICLE XLVIII

AVOIDANCE ACTIONS TRUST

48.1 **Execution of Avoidance Actions Trust Agreement:** On or before the Effective Date, the Debtors and the Avoidance Actions Trustee shall execute the Avoidance Actions Trust Agreement, and shall take all other necessary steps to establish the Avoidance Actions Trust and the Avoidance Actions Trust Interests therein, which shall be for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed before, on or after the Effective Date. The Avoidance Actions Trust Agreement may provide powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Avoidance Actions Trust as a “liquidating trust” for United States federal income tax purposes.

48.2 **Purpose of the Avoidance Actions Trust:** The Avoidance Actions Trust shall be established for the sole purpose of Avoidance Actions and distributing its assets, in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Avoidance Actions Trust.

48.3 **Avoidance Actions Trust Assets:** The Avoidance Actions Trust shall consist of the Avoidance Actions Trust Assets. On the Effective Date, the Debtors shall transfer all of the Avoidance Actions Trust Assets to the Avoidance Actions Trust. The Avoidance Actions Trust Assets may be transferred subject to certain liabilities, as provided in the Plan or the Avoidance Actions Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the Avoidance Actions Trust Assets to the Avoidance Actions Trust, the Debtors and their predecessors, successors and assigns, and each other Entity released pursuant to Section 62.2 herein shall be discharged and released from all liability with respect to the delivery of such distributions.

48.4 **Administration of the Avoidance Actions Trust:** The Avoidance Actions Trust shall be administered by the Avoidance Actions Trustee according to the Avoidance Actions Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the Avoidance Actions Trust Agreement, the Avoidance Actions Trust Agreement shall govern.

48.5 **The Avoidance Actions Trustee:** In the event the Avoidance Actions Trustee dies, becomes incapacitated, is terminated, or resigns for any reason, the Avoidance Actions Trust Board shall designate a successor; provided, however, that under no circumstance shall the Avoidance Actions Trustee be a director or officer with respect to any Affiliate of the Avoidance Actions Trust.

48.6 **Role of the Avoidance Actions Trustee:** In furtherance of and consistent with the purpose of the Avoidance Actions Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan and the Avoidance Actions Trust Agreement, and the oversight of the Avoidance Actions Trust Board, the Avoidance Actions Trustee shall, among other things, have the following rights, powers and duties, (i) to hold, manage, convert to Cash, and timely distribute the Avoidance Actions Trust Assets, including prosecuting and resolving the Claims belonging to the Avoidance Actions Trust, (ii) to hold the Avoidance Actions Trust Assets for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, (iii) in the Avoidance Actions Trustee's reasonable business judgment, to investigate, prosecute, settle and/or abandon rights, causes of action, or litigation of the Avoidance Actions Trust, (iv) to prepare and file (or cause to be prepared and filed), from and after the Effective Date, all tax and regulatory forms, returns, reports, and other documents required, or that the Avoidance actions Trustee otherwise deems appropriate with respect to the Avoidance Actions Trust, (v) in the Avoidance Actions Trustee's reasonable business judgment, to control, prosecute, and/or settle on behalf of the Avoidance Actions Trust, objections to Claims on account of which the Avoidance Actions Trustee will be responsible, (vi) to hold, manage, and timely distribute Cash or non-Cash Avoidance Actions Trust Assets obtained through the exercise of its power and authority and (vii) to not unduly prolong the duration of the Avoidance Actions Trust. In all circumstances, the Avoidance Actions Trustee shall act in the best interests of all Avoidance Actions Trust Beneficiaries and in furtherance of the purpose of the Avoidance Actions Trust.

48.7 **Avoidance Actions Trustee's Tax Power for Debtors:** From and after the Effective Date, the Avoidance Actions Trustee shall prepare and file (or cause to be prepared and filed), on behalf of the Debtors, all Tax Returns or other tax information statements required to be filed or that the Avoidance Actions Trustee otherwise deems appropriate.

48.8 **Transferability of Avoidance Actions Trust Interests:** The Avoidance Actions Trust Interests shall not be transferable or assignable except by will, intestate succession or operation of law

48.9 **Cash:** The Avoidance Actions Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; provided, however, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

48.10 **Distribution of Avoidance Action Trust Assets:** The Avoidance Actions Trustee shall distribute to the holders of Allowed Claims on account of their Avoidance Actions Trust Interests, on a semi-annual basis, all unrestricted Cash on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as

Cash for purposes of this Section 48.10), except (i) Cash reserved pursuant to the Avoidance Actions Trust Agreement to fund the activities of the Avoidance Actions Trust, (ii) such amounts' as are allocable to or retained on account of Disputed Claims in accordance with Section 52.3 hereof to pay reasonable incurred or anticipated expenses (including, but not limited to, any Taxes imposed on or payable by the Avoidance Actions Trust in respect of the Avoidance Actions Trust Assets); provided, however, that the Avoidance Actions Trustee shall not be required to make a distribution pursuant to this Section 48.10 if the aggregate, net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such that it would make the distribution impracticable as reasonably determined by the Avoidance Actions Trustee, with the consent of the Avoidance Actions Trust Board, in accordance with applicable law, and so long as such aggregate amount is less than Twenty-Five Million Dollars (\$25,000,000.00); and, provided, further, that the Avoidance Actions Trustee, with the consent of the Avoidance Actions Trust Board, may decide to forego the first quarterly distribution to those holders of Avoidance Actions Trust Interests with respect to which the Avoidance Actions Trustee, in its reasonable judgment, is not administratively prepared to make such distribution, in which case, such distribution shall be made to such holders as soon as practicable after the Avoidance Actions Trustee is administratively prepared to do so.

48.11 Funding, Costs and Expenses of the Avoidance Actions Trust: On the Effective Date, and solely from Settlement Savings generated and otherwise distributable to the Commonwealth for distribution to holders of Allowed CW Bond Claims and Allowed CW Guarantee Bond Claims, the Avoidance Actions Trust shall be funded on a one-time basis in an amount up to Five Million Dollars (\$5,000,000.00). The reasonable costs and expenses of the Avoidance Actions Trust, including the fees and expenses of the Avoidance Actions Trustee and its retained professionals, shall be paid out of the Avoidance Actions Trust Assets. Fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Avoidance Actions Trust.

48.12 Compensation of the Avoidance Actions Trustee: The individual(s) serving as or comprising the Avoidance Actions Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles, the payment of which shall be subject to the approval of the Title III Court.

48.13 Retention of Professionals/Employees by the Avoidance Actions Trustee: Subject to the approval and consent of the Avoidance Actions Trust Board, the Avoidance Actions Trust may retain and compensate attorneys, other professionals, and employees to assist the Avoidance Actions Trust Board on such terms as the Avoidance Actions Trustee deems appropriate without Title III Court approval.

48.14 Federal Income Tax Treatment of the Avoidance Actions Trust:

(a) Avoidance Actions Trust Assets Treated as Owned by Creditors. For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Avoidance Actions Trustee, and the Avoidance Actions Trust Beneficiaries) shall treat the transfer of the Avoidance Actions Trust Assets to the Avoidance Actions Trust as (1) a transfer of the Avoidance Actions Trust Assets (subject to any obligations relating to those assets) directly to the Avoidance Actions Trust Beneficiaries and, to the extent Avoidance

Actions Trust Assets are allocable to Disputed Claims, to the Avoidance Actions Trust Claims Reserve, followed by (2) the transfer by such beneficiaries to the Avoidance Actions Trust of the Avoidance Actions Trust Assets (other than the Avoidance Actions Trust Assets allocable to the Avoidance Actions Trust Claims Reserve) in exchange for Avoidance Actions Trust Interests. Accordingly, the Avoidance Actions Trust Beneficiaries shall be treated for United States federal income tax purposes as the deemed grantors and owners of their respective share of the Avoidance Actions Trust Assets (other than such Avoidance Actions Trust Assets as are allocable to the Avoidance Actions Trust Claims Reserve, discussed below). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(b) Tax Reporting.

(1) The Avoidance Actions Trustee shall prepare and file (or cause to be prepared and filed) Tax Returns for the Avoidance Actions Trust treating the Avoidance Actions Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 48.14. The Avoidance Actions Trustee also will annually send to each holder of a Avoidance Actions Trust Interest a separate statement regarding the receipts and expenditures of the Avoidance Actions Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Avoidance Actions Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Avoidance Actions Trust that is required by any governmental unit.

(2) The Avoidance Actions Trustee will then in good faith value all other Avoidance Actions Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Avoidance Actions Trust (including, without limitation, the Debtors, the Avoidance Actions Trustee, and Avoidance Actions Trust Beneficiaries) for all United States federal income tax purposes.

(3) Allocations of Avoidance Actions Trust taxable income among the Avoidance Actions Trust Beneficiaries (other than taxable income allocable to the Avoidance Actions Trust Claims Reserve) shall be determined by reference to the manner in which an amount of cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Avoidance Actions Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to the Avoidance Actions Trust Claims Reserve) to the holders of the Avoidance Actions Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Avoidance Actions Trust. Similarly, taxable loss of the Avoidance Actions Trust shall be allocated by reference to the manner in which an economic loss would be borne

immediately after a hypothetical liquidating distribution of the remaining Avoidance Actions Trust Assets. The tax book value of the Avoidance Actions Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(4) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Avoidance Actions Trustee of a private letter ruling if the Avoidance Actions Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Avoidance Actions Trustee), the Avoidance Actions Trustee shall (A) timely elect to treat any Avoidance Actions Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Avoidance Actions Trustee and the Avoidance Actions Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(5) The Avoidance Actions Trustee shall be responsible for payment, out of the Avoidance Actions Trust Assets, of any Taxes imposed on the trust or its assets, including the Avoidance Actions Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Avoidance Actions Trust Claims Reserve is insufficient to pay the portion of any such Taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims (including any income that may arise upon the distribution of the assets of the Avoidance Actions Trust Claims Reserve), such Taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Avoidance Actions Trustee as a result of the resolution of such Disputed Claims.

(c) Tax Withholdings by Avoidance Actions Trustee. The Avoidance Actions Trustee may withhold and pay to the appropriate Tax Authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Avoidance Actions Trust Interests. All such amounts withheld and paid to the appropriate Tax Authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of Avoidance Actions Trust Interests for all purposes of the Avoidance Actions Trust Agreement, and it being understood that any such amount withheld shall reduce the amount actually realized by the applicable holder upon distribution. The Avoidance Actions Trustee shall be authorized to collect such tax information from the holders of Avoidance Actions Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion the Avoidance Actions Trustee deems necessary to effectuate the Plan, the Confirmation Order, and the Avoidance Actions Trust Agreement. In order to receive

distributions under the Plan, all holders of Avoidance Actions Trust Interests shall be required to identify themselves to the Avoidance Actions Trustee and provide tax information and the specifics of their holdings, to the extent the Avoidance Actions Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the Avoidance Actions Trustee for these purposes. This identification requirement generally applies to all holders of Avoidance Actions Trust Interests, including those who hold their securities in street name. The Avoidance Actions Trustee may refuse to make a distribution to any holder of a Avoidance Actions Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered, and may treat such holder's Avoidance Actions Trust Interests as disputed; provided, however, that, if such information is not furnished to the Avoidance Actions Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such Avoidance Actions Trust Interest; and, provided, further, that, upon the delivery of such information by a holder of a Avoidance Actions Trust Interest, the Avoidance Actions Trustee shall make such distribution to which the holder of the Avoidance Actions Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; and, provided, further, that, if the Avoidance Actions Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Avoidance Actions Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Avoidance Actions Trustee for such liability (to the extent such amounts were actually distributed to such holder).

(d) The Avoidance Actions Trustee and the Avoidance Actions Trust shall be discharged or dissolved, as the case may be, upon the earlier to occur of (i) all of the Avoidance Actions Trust Assets have been distributed pursuant to the Plan and the Avoidance Actions Trust Agreement, (ii) the Avoidance Actions Trustee determines, with the consent of the Avoidance Actions Trust Board, that the administration of any remaining Avoidance Actions Trust Assets is not likely to yield sufficient additional Avoidance Actions Trust proceeds to justify further pursuit, and (iii) all distributions required to be made by the Avoidance Actions Trustee under the Plan and the Avoidance Actions Trust Agreement have been made; provided, however, in no event shall the Avoidance Actions Trust be dissolved later than three (3) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Avoidance Actions Trustee and the Avoidance Actions Trust Board that any further extension would not adversely affect the status of the trust as an Avoidance Actions Trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Avoidance Actions Trust Assets. If at any time the Avoidance Actions Trustee determines, in reliance upon such professionals as the Avoidance Actions Trustee may retain, that the expense of administering the Avoidance Actions Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the assets remaining in the Avoidance Actions Trust, the Avoidance Actions Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amount necessary to dissolve the Avoidance Actions Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax under section 501(a) of the IRC, and (D) that is unrelated to the Debtors, the Reorganized Debtors, the

Avoidance Actions Trust, and any insider of the Avoidance Actions Trustee, and (iii) dissolve the Avoidance Actions Trust.

48.15 **Indemnification of Avoidance Actions Trustee:** The Avoidance Actions Trustee or the individual(s) comprising the Avoidance Actions Trustee, as the case may be, and the Avoidance Actions Trustee Employees, agents and professionals, shall not be liable to the Avoidance Actions Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Avoidance Actions Trustee, except those acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Avoidance Actions Trustee, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the Avoidance Actions Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the Avoidance Actions Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the Avoidance Actions Trust Interests and any other claim to or interest in such assets. The Avoidance Actions Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

ARTICLE XLIX

PROSECUTION AND EXTINGUISHMENT OF CLAIMS HELD BY THE DEBTORS

49.1 **Prosecution of Claims:** Except as settled and released herein, from and after the Effective Date, the Avoidance Actions Trustee shall have the exclusive right and power to (a) litigate any and all of the Avoidance Actions and (b) compromise and settle such Avoidance Actions, upon approval of the Bankruptcy Court. The net proceeds of any such litigation or settlement (after satisfaction of all costs and expenses incurred in connection therewith) shall be transferred to the Avoidance Actions Trust for distribution in accordance with the Plan and the Avoidance Actions Trust Agreement.

ARTICLE L

ACCEPTANCE OR REJECTION OF THE PLAN; EFFECT OF REJECTION BY ONE OR MORE CLASSES OF CLAIMS

50.1 **Impaired Classes to Vote:** Each holder, as of the Voting Record Date, of a Claim in an impaired Class not otherwise deemed to have rejected or accepted the Plan in accordance with Sections 8.1, 35.1 and 36.1 of the Plan shall be entitled to vote separately to accept or reject the Plan.

50.2 **Acceptance by Class of Creditors:** An impaired Class of holders of Claims shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims of such Class that have voted to accept or reject the Plan.

50.3 **Cramdown:** In the event that any impaired Class of Claims shall fail to accept, or be deemed to reject, the Plan in accordance with section 1129(a) of the Bankruptcy Code, the

Debtors reserve the right to (i) request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code or (ii) subject to the consent of the PSA Creditors, which consent shall not be unreasonably withheld, amend the Plan.

ARTICLE LI

RIGHTS AND POWERS OF DISBURSING AGENT

51.1 **Exculpation:** From and after the Effective Date, the Disbursing Agent shall be exculpated by all Entities, including, without limitation, holders of Claims and other parties in interest, from any and all claims, causes of action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Disbursing Agent by the Plan or any order of the Title III Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct of such Disbursing Agent. No holder of a Claim or other party in interest shall have or pursue any claim or cause of action against the Disbursing Agent for making payments in accordance with the Plan or for implementing the provisions of the Plan.

51.2 **Powers of the Disbursing Agent:** Except as may be provided otherwise hereunder, the Disbursing Agent shall be empowered to (a) take all steps and execute all instruments and documents necessary to effectuate the Plan, (b) make distributions contemplated by the Plan, (c) comply with the Plan and the obligations thereunder, and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to order of the Title III Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

51.3 **Fees and Expenses Incurred From and After the Effective Date:** Except as otherwise ordered by the Title III Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent from and after the Effective Date and any reasonable compensation and expense reimbursement claims, including, without limitation, reasonable fees and expenses of counsel, incurred by the Disbursing Agent, shall be paid in Cash without further order of the Title III Court.

ARTICLE LII

PROCEDURES FOR TREATMENT OF DISPUTED CLAIMS

52.1 **Objections to Claims; Prosecution of Disputed Claims:** Except with respect to Allowed Claims, and subject to the terms and conditions of the ADR Procedures and the ADR Order, Reorganized Debtors, by and through the Oversight Board, and in consultation with AAFAF, shall object to, and shall assume any pending objection filed by the Debtors to, the allowance of Claims filed with the Title III Court with respect to which it disputes liability, priority or amount, including, without limitation, objections to Claims that have been assigned and the assertion of the doctrine of equitable subordination with respect thereto. All objections, affirmative defenses and counterclaims shall be litigated to Final Order; provided, however, that Reorganized Debtors, by and through the Oversight Board, and in consultation with AAFAF, shall have the authority to file, settle, compromise or withdraw any objections to Claims, without

approval of the Title III Court. Unless otherwise ordered by the Title III Court, to the extent not already objected to by the Debtors, Reorganized Debtors shall file and serve all objections to Claims as soon as practicable, but, in each instance, not later than one hundred eighty (180) days following the Effective Date or such later date as may be approved by the Title III Court. Notwithstanding anything contained in the Plan to the contrary, on the Effective Date, any Bond Claim filed by any Entity, for amounts due under existing securities, shall be deemed disallowed and expunged and the Oversight Board shall instruct Prime Clerk LLC, its court-appointed representative, to remove such Bond Claims from the claims registry maintained for the benefit of the Title III Court.

52.2 Estimation of Claims: Except with respect to Allowed Claims, on and after the Effective Date, and unless otherwise limited by an order of the Title III Court, including, without limitation, the ADR Order, Reorganized Debtors, by and through the Oversight Board, may at any time request the Title III Court to estimate for final distribution purposes any contingent, unliquidated or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors previously objected to or sought to estimate such Claim, and the Title III Court will retain jurisdiction to consider any request to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Unless otherwise provided in an order of the Title III Court, in the event that the Title III Court estimates any contingent, unliquidated or Disputed Claim, the estimated amount shall constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Title III Court; provided, however, that, if the estimate constitutes the maximum limitation on such Claim, Reorganized Debtors, by and through the Oversight Board, may elect to pursue supplemental proceedings to object to any ultimate allowance of such Claim; and, provided, further, that the foregoing is not intended to limit the rights granted by section 502(j) of the Bankruptcy Code. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another.

52.3 Payments and Distributions on Disputed Claims:

(a) **Disputed Claims Holdback:** From and after the Effective Date, and until such time as each Disputed Claim has been compromised and settled, estimated by the Title III Court in an amount constituting the allowed amount, or Allowed or Disallowed by Final Order of the Title III Court, Reorganized Debtors shall retain, for the benefit of each holder of a Disputed Claim, the distributions that would have been made to such holder if it were an Allowed Claim in an amount equal to the lesser of (i) the liquidated amount set forth in the filed proof of Claim relating to such Disputed Claim, (ii) the amount in which the Disputed Claims shall be estimated by the Title III Court pursuant to section 502 of the Bankruptcy Code constitutes and represents the maximum amount in which such Claim may ultimately become an Allowed Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and Reorganized Debtors; provided, however, that the recovery by any holder of a Disputed Claim shall not exceed the lesser of (i), (ii) and (iii) above. To the extent that any of the Reorganized Debtors retains any New Bonds on behalf of Disputed Claims holders, until such time as such New Bonds are distributed, such Reorganized Debtors shall exercise voting or consent rights with respect to such bonds.

(b) **Allowance of Disputed Claims:** At such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, Reorganized Debtors shall distribute to the holder thereof the distributions, if any, to which such holder is then entitled under the Plan, together with any earnings that have accrued thereon (net of any expenses, including any taxes, relating thereto), but only to the extent that such earnings are attributable to the amount of the Allowed Claim. Such distribution, if any, shall be made as soon as practicable after the date that the order or judgement of the Title III Court allowing such Disputed Claim becomes a Final Order, but in no event more than ninety (90) days thereafter.

52.4 **Authority to Amend Lists of Creditors:** Except with respect to Bond Claims, the Debtors shall have the authority to amend the List of Creditors with respect to any Claim and to make distributions based on such amended List of Creditors without approval of the Title III Court. If any such amendment to the List of Creditors reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtors will provide the holder of such Claim with notice of such amendment and such holder will have twenty (20) days to file an objection to such amendment with the Title III Court. If no such objection is filed, the Disbursing Agent may proceed with distributions based on such amended List of Creditors without approval of the Title III Court.

52.5 **Non-Accrual of Interest:** Unless otherwise specifically provided for herein or by order of the Title III Court, post-petition interest shall not accrue or be paid on Claims, Allowed or otherwise, and no holder of a Claim, Allowed or otherwise, shall be entitled to interest accruing on or after the Petition Date on any Claim or right. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

52.6 **Disallowance of Claims:** All Claims of any Entity from which property is sought by the Debtors under sections 550, or 553 of the Bankruptcy Code or that the Debtors alleges is a transferee of a transfer that is avoidable under sections 544, 545, 547, 548, or 549 of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors, on the other hand, agree or the Title III Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

ARTICLE LIII

The Pension Reserve Trust will be managed by an independent entity whose members shall meet the independence, professionalism, experience and qualification standards set forth in the Pension Reserve Deed of Trust and shall be subject to all Government contracting, ethics and conflicts of interest laws and regulations.

(b) If the Plan is revoked or withdrawn prior to the Confirmation Date, or if the Plan does not become effective for any reason whatsoever, then the Plan shall be deemed null and void. 57.3 Amendment of Plan Documents: From and after the Effective Date, the authority to amend, modify, or supplement the Plan Supplement, the Exhibits to the Plan Supplement and the Exhibits to the Plan, and any document attached to any of the foregoing, shall be as provided in such Plan Supplement, Exhibit to the Plan Supplement, or Exhibit to the Plan and their respective attachments, as the case may be.

57.4 No Admission of Liability:

(a) The submission of this Plan is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Entity with respect to any of the matters addressed in this Plan.

(b) None of this Plan (including, without limitation, the Exhibits hereto), or any settlement entered, act performed or document executed in connection with this Plan: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim, or any allegation made in any of the Related Actions or of any wrongdoing or liability of any Entity; (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Entity in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal; (iii) is or may be deemed to be or used as an admission or evidence against Reorganized Debtors, the Debtors, or any other Person or Entity with respect to the validity of any Claim. *In re Commonwealth of Puerto Rico, Title III Case No. 17 BK 3283-LTS
August 23, 2019*

This Addendum addresses the limited number of Retirees who would experience lower cuts to their retirement benefits under the approach originally proposed by the Financial Oversight and Management Board (the “FOMB”) in its certified Fiscal Plans to date (the “FOMB Original Proposal”) relative to the cuts that would be experienced under the approach in the Plan Support Agreement (the “PSA”) entered into by and between the FOMB and the Official Committee of Retired Employees of Puerto Rico (the “Retiree Committee”) (the “PSA Original Proposal”).¹ This Addendum incorporates the terms of the FOMB Original Proposal into the PSA and ensures that, subject to any specific provisions of the PSA itself, including but not limited to section 5.17, each Retiree holding an impaired Retiree Claim shall receive the more favorable treatment under either the PSA Original Proposal or the FOMB Original Proposal. The terms hereof are intended solely to supplement, and not modify, the terms of the existing PSA, including Exhibit A to the PSA.

¹ All capitalized terms not defined herein shall have the meanings ascribed to them in the Terms for Restructuring of Retiree Obligations attached as Exhibit A to the PSA.

Addendum to the Provisions of the Proposal	
FOMB Originally Proposed Cut Formula	<p>The FOMB Originally Proposed Monthly Benefit Reduction amount shall be calculated as follows:</p> <p><i>Step 1:</i> Subtract the FOMB OP Threshold (\$1,000 if the Retiree is not eligible for Social Security or \$600 if the Retiree is eligible for Social Security) from the FOMB OP Total Monthly Retirement Benefit. If the resulting figure is \$0.00 or less, the Retiree is not subject to any benefit reduction.</p> <p><i>Step 2:</i> If the resulting figure from Step 2 is more than \$0.00, calculate the FOMB Originally Proposed Monthly Benefit Reduction by multiplying the resulting figure by 25%. This amount is the FOMB Originally Proposed Monthly Benefit Reduction.</p>
Effective Total Cut Formula	<p>The Effective Monthly Benefit Reduction, which is the applicable monthly benefit reduction to the Retiree, is the lower of (i) the PSA Originally Proposed Monthly Benefit Reduction and (ii) the FOMB Originally Proposed Monthly Benefit Reduction.</p> <p>If the lower amount is the PSA Originally Proposed Monthly Benefit Reduction, all provisions under the Total Cut Formula (per Exhibit A to the PSA) will be applied to the Retiree.</p> <p>If the lower amount is the FOMB Originally Proposed Monthly Benefit Reduction, the Retiree will experience a benefit reduction in the amount equal to the FOMB Originally Proposed Monthly Benefit Reduction. The order in which each component of the Retiree's benefits is being reduced or eliminated shall be the same as provided in the Total Cut Formula.</p> <p>Under no circumstances shall the Retiree experience a higher pension benefit reduction as a result of the PSA Original Proposal compared to the FOMB Original Proposal.</p>

Terminations / Layoffs

Section 1 In order to avoid the involuntary layoff of personnel and to give personnel adequate notice of reassignments or relocations, the Union and the Oversight Board agree to discuss modifying the regulations implementing Act 8-2017 with the Government.

Section 2 In the event that the Administration needs to carry out downsizing of personnel (layoffs) to comply with the provisions of the approved Fiscal Plan, the parties agree to the following:

- A. **Temporary Suspension.** The immediate commencement of the layoff plan will entail the automatic suspension of any clause, precept and/or provision applicable to employees and/or positions covered by this agreement, contained in laws, collective bargaining agreements, agreements, supplementary agreements, policies, employment handbooks, circulars, contract letters, certifications, regulations, rules and conditions of employment, regulatory letters, classification plans and/or retribution plans that conflict with this Article

The suspension of the clauses and provisions provided herein will be for a term of five (5) years, and the Administration may reduce this period after the Oversight Board certifies compliance with the objectives of the Administration and/or Department's Fiscal Plan.

- B. **Reassignment and Relocation.** The Administration may implement any reassignment of positions and relocation of personnel when its budgetary interests so require to avoid layoffs. If reassignments and/or relocations are necessary and budgetary feasible, the Administration shall reassign/relocate the most qualified volunteer(s) who would otherwise be subject to layoff. If there are insufficient qualified volunteers, the least senior qualified employee will be involuntary reassigned/relocated. An employee who has been involuntarily relocated because her/his position has been eliminated may request the position she/he previously held, if the Administration creates it again within the term of two (2) years following the relocation. The employee must make the corresponding request to the Human Resources Division. Seniority shall be the determining criteria to the extent that the position is requested by more than one relocated employee. This provision shall establish the order of voluntary and involuntary employee reassignment, relocation and mobility but shall not be interpreted as a limitation to the Administration's right to implement mobility plans pursuant to Act 8-2017.

C. **Layoffs.**

- a. In view of the state of fiscal emergency, the scarcity of fiscal resources, the gravity of the problems that the Administration faces, and the urgency required to correct the fiscal problems, it is exempted from exhausting measures such as retraining employees, the enjoyment of accrued

The layoffs of employees with permanent or career appointment will be carried out observing exclusively the criterion of seniority by occupational classification affected by the layoff and consonant with the need to ensure the continuity and quality of Administration services, so that those who have less seniority in each affected occupational classification will be laid off in the first place. d.
